Hi David,

I am going through this document. One thing that I think would be worthwhile to ask them about now is what appears to be numerous missing Exhibits. The document cites various Exhibits, from 1 up through 40 (although not all numbers in between are cited – which will be separate a specific comment to come), but we appear to have only Exhibits 1, 2 and 3.

Subject: Test Aquifer Exemption Package

All:

Please find attached the Division of Oil, Gas, and Geothermal Resources' trial run aquifer exemption test package. This test case is for an aquifer that is non-hydrocarbon producing, with a TDS between 3,000 and 10,000 mg/l. The attached document is an Executive Summary, with the majority of the supporting data located at the site below. To access the supporting data, please click on the link below. In order to access the file, you will need to enter the password. This supporting data will be available until Friday, October 31, 2014. Please review this test package and be prepared to provide comments on November 3, 2014 at our next meeting. If you have any questions, please let me know.

Sincerely,

Robert S. Habel
